

MENTAL HEALTH & SUBSTANCE MISUSE

Course Dates: 21st October 2010

Course Price: £95 + VAT (£111.63 inc. VAT)

Trainer: Andrew Rome RMN, Director of Research & Consultancy

Location: Figure 8 Training Suite
1st Floor, 30 Whitehall St, Dundee, DD1 4AF

Max. participants: 16

Suited to: Workers and Managers in Health & Social Care settings who work with clients with both Mental Health and Substance Misuse problems

Course Content

This training aims to enhance participants' current practice in caring for clients with mental health and substance misuse problems. It will encourage participants to critically assess current good practice guidance in Scotland and, through small group discussions, reflect on current interventions, accessibility of services and how to maximise active service-user participation in their own care and treatment.

Learning Objectives

The training aims to give participants the opportunity to:

- Explore and analyse the challenges that arise in working with people with mental health and substance misuse problems.
- Review current good practice guidelines and discuss the practicalities of implementation.
- Discuss case studies of people with mental health and substance misuse problems and debate how best different agencies can work together to support the individual.
- Critically reflect upon and evaluate your own practice when working with this client group.
